

STANDARD LAUNDRY CART W/ DOUBLE POLE RACK

#100CEC58C

Our wire laundry carts have been the standard of the industry for over 70 years. They are used in the majority of America's coin laundries as well as on-premise and commercial laundries. They are used internationally in over 20 countries and are built for years of trouble free service.

- Our standard cart, with a double-pole rack for hanging garments
- Bases are built with fully welded 7/8" heavy steel tubing and are guaranteed for life against breakage
- Features our patented 5" Clean Wheel System™ casters with non-marking polyurethane tires. They reduce debris pick up in hubs. The ball bearing design gives years of service
- New bearing raceway guards shield top caster bearings from dirt and chemicals
- New larger, softer non-marking bumpers help protect equipment and walls from damage
- Chrome plating is sturdy, bright and commercial quality - saving maintenance
- Optional "Dishwasher Grade" vinyl basket coating encapsulates the entire basket. It is available in a number of bright colors (*see color chart for options*)

Dimensions: 26.5"L x 22"W x 11"D x 66.5"H

Product Weight: 41 lbs

Bushel Capacity: 2.50
